CAMPUS LIFE

Since You've Been Gone . . .

Since you've been gone . . . many changes have been made to the York College Campus. The most controversial change is the NO SMOKING policy. The front porch of Campbell Hall has now become the smoker's hangout. Everyone is pleased with the new look the Pub has but, the menu well, let's say, it's got to go! As for Laurie Reed, she can definitely stay. Her new ideas, positive outlook, and friendliness bring a much needed improvement to YCP activities.

Life Of A York College Student

There is no way to avoid it, every York College student spends more time than he or she wants to waiting in lines. There are lines to schedule, lines to register, lines to buy books, lines to play Bingo, and even lines to eat.

A YCP student also spends many moments walking up the hill and past the ever present fountain. Often dyed green or full of soap suds, the fountain draws much attention. After passing the fountain, the YCP student walks through the doors of Campbell Hall. Did you ever take the time to think about how many times you have passed under these portals?

Then, there are those dreaded doors of Schmidt Library. The moment you walk through these doors, the truth begins. Do I really know what I'm looking for? If so, how do I find it? Stop and think about all the times you spent running around the library trying to pretend that you knew what you were doing.

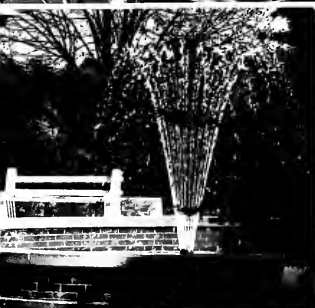

After a student has spent a sufficient amount of time studying, the real life of a college student begins. Plenty of time is spent hanging around the Spart's Den, playing video games, sitting around the fountain, partying, exercising, or just relaxing in the dorm room.

Physical activity also takes up a certain amount of time in the life of a YCP student. There is weightlifting, swimming, intramural sports, and for the less active, just walking to class is enough physical activity for one day.

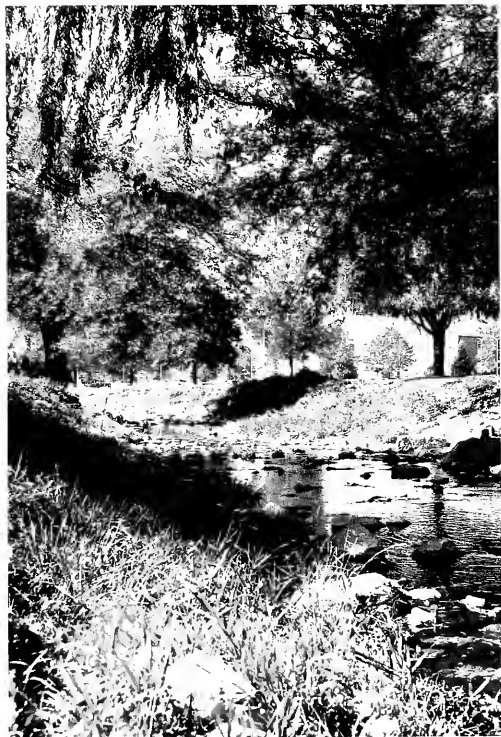

When night sets in, the fun really begins! There are Greek parties to attend, live entertainment in either the gym or Spart's Den, free movies, and who can forget the all time YCP craze - - - BINGO!

Sure, the major purpose of college is education, but there are more ways to learn than just in classes!

A Look Around Campus . . .

What The Cars Say

**THEY CAN SEND ME TO COLLEGE,
BUT THEY CAN'T MAKE ME THINK**

They often say that the car is a reflection of the driver or owner. Well, if the bumper stickers count for anything, York College has its share of very interesting people. We have bumper stickers promoting the city of York as well as our own radio station, WNYC!

Sarcasm is clearly present in the sayings that YCP students paste to the backs of their cars. They range from sarcasm directed at the college experience to life philosophies to the support of the wild life!

CAUTION: THIS CAR EXPLODES ON IMPACT

What the cars say can also inform us of the economic standings of the YCP student. There is also advice on driving safely.

One also sees a certain feeling about the ownership of the road. All of this with WHAT THE CARS SAY!

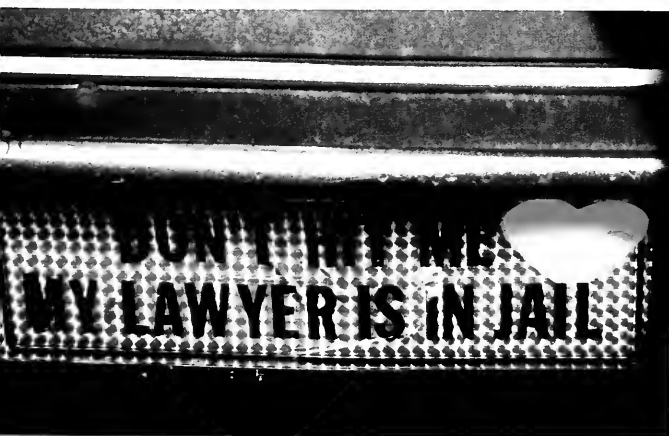

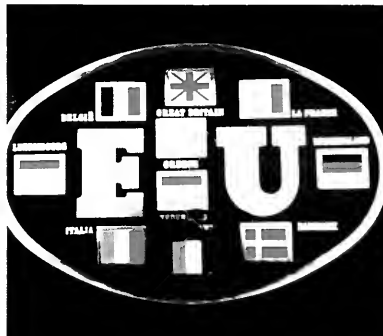

If you must drink & drive...

Friends

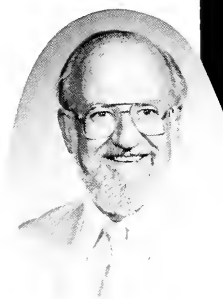

What is a friend? A friend is defined as, "A person who knows, likes, and trusts. A favored companion." While reading this definition, the images of many faces come to mind. We all know that a friend is much more than words written on a page.

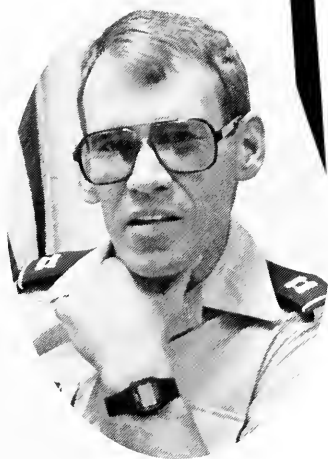

York College is filled with friends. There are friends that are roommates, RA's, Peer Advisors, classmates, professors, administrators, and even Dr. Iosue.

A friend is someone you can share secrets with, talk to in times of trouble, eat meals with, go shopping with, or just hang out with. There is no end to what friends can do together.

These pages and this book are dedicated to all of the friends at York College, and especially to those friends who are moving on.

President
Robert V. Iosue

Dear YCP Graduates:

The time has come to say goodbye to a pretty special group of students. We've enjoyed teaching you in class, showing you the rudiments of scholarship, preparing you for a career or professional school, and most of all, providing you the encouragement for further intellectual growth and public service.

In addition to all these lofty goals, you have found time to join groups, have fun, visit the Study Hall or the Depot, make friends, and on occasion, make a little noise.

You have been a wonderful class and we're glad you passed this way; we will not forget you. Please continue to grow just as your College is growing - not in size but in reputation. Don't ever be afraid to express your pride in York College, as we are proud of you.

With our highest hopes for your success goes our affection.

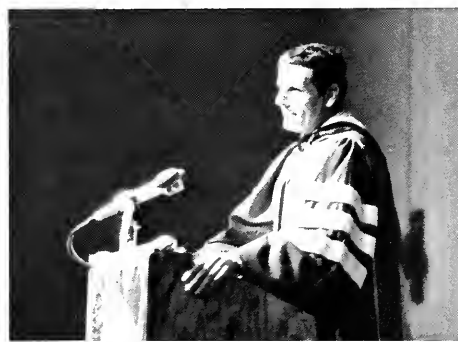

Best wishes to each and everyone of you.

Sincerely,

A handwritten signature in cursive script, reading "Robert V. Iosue".

The Student Senate is comprised of six elected Senators from each class, an executive board consisting of the President, Vice-President, Secretary, Treasurer, and Parliamentarian, and their advisors, Laurie Reed, Dr. Khanna, Dr. Troutman, Dean Merkle, and Dean Mussano. The Senate is further broken down into standing committees such as, Academic Affairs, CAB, Welfare, Budget and Finance, Elections, and Constitution. Each Senator sits on two committees which usually meet weekly.

The Senate deals with all aspects of life on the YCP campus from providing activities such as the formals, Bingo, Talent show, entertainment in the newly renamed Spart's Den (formerly, the Pub), to solving parking problems, food complaints, allocating money from the Student Association fee every full time student pays, and overseeing all campus organizations (we are usually involved in some way).

Most importantly, the Student Senate is here to serve and represent you, the student body. We are your voice so let us know what you would like to see done during your years at YCP.

Black Student Union

Alpha Chi Honor Society

Alpha Chi is a coeducational society whose purpose is to promote academic excellence and exemplary character among college and university students and to honor those achieving such distinction. Its name derives from the initial letters of the Greek words ALETHEIA and XARAKTER, meaning TRUTH and CHARACTER. Founded in 1922, Alpha Chi now has over 265 chapters in forty-four states, the District of Columbia, and Puerto Rico. At York College only the top 5% of the junior class and the top 10% of the senior class are admitted to membership.

The Non-Traditional Students organization is a recently formed group that caters to the needs of a very special class of York College students. This association is made up of students re-entering college, older students coming to college for the first time, and students who simply wish to expand their minds. This much needed group represents 41% of the college students who fall into the first two categories and aids these students in accomplishing a smooth transition into college life. Though newly formed, the Non-Trads have participated in various campus activities including Spring Weekend. They are funded through the Student Senate and all students are invited to join the Non-Traditional Students. The HORIZON staff would like to apologize to the Non-Traditional Students. Due to technical difficulties with the film, the picture of the Non-Trads was destroyed.

Alpha Theta Chi

Alpha Theta Chi is celebrating their tenth year anniversary this year, and what a busy year it has been. They have been very active in community services, and fundraisers. These include: bake sales, raffels, candy sales for Halloween, hosting a non-alcoholic dance with Kappa Psi Epsilon in honor of Alcohol Awareness Week, parties at Murph's and the Depot, Valentine's Day Balloon Sale, and a St. Patrick's Day Carnation Sale. They have held a clothing drive benefiting the needy, worked at the Arthritis Foundation, worked at the Decorator showcase and visited the SPCA.

They would also like to welcome their eight new sisters from fall pledging, and their three new sisters from spring pledging.

The sisters congratulate all of their graduating sisters. They will be sorry to see them go, and the best of luck in their "new" lives. Remember sisterhood is forever!!

Founded in 1901, Alpha Sigma Alpha is York College's only National Sorority. The Delta Omicron Chapter was installed at York College on April 8, 1978. This year we are proud to celebrate our tenth year anniversary.

ASA Sisters greeted parents at parent's weekend, co-sponsored the formal, participated in Alcohol Awareness Week, won the Christmas Caroling Competition (1985, 1987), had various fundraisers, and participated in Freshman Orientation. Our community projects included sponsoring the annual Spinal Bifida Bowl-A-Thon, Special Olympics, and participating in the Saint Patrick's Day Parade.

Beta Alpha Chi is the newest men's social and service organization at York College. They participate in many volunteer activities for the community as well as here at YCP. Promotion of brotherhood, leadership, commitment, participation, and academic achievement are stressed in BAX. Membership is open to all male full-time students who meet the academic standards set by the college. This year, BAX became a chapter under the national fraternity, Zeta Beta Tau.

Zeta Delta Phi

The Sisters Of ΖΔΦ

The 1987-1988 Executive Board

Zeta Delta Phi is the youngest sorority on YCP's campus. Formed in 1982, we have grown from seven founding sisters to an active membership of forty. The purpose of our organization is to provide services for the campus and community and to provide unity and friendship and social activities for members. We are the only sorority affiliated with a fraternity, Zeta Phi Omicron.

A few of our community services for this year were co-sponsorship of the Cancer Society's smoke-out, daffodil sale for the Easter Seals, sponsorship of a Haitian child through Bethany Projects and we have also become involved with the Special Olympics.

We had a very busy year with the sorority. Our volleyball team placed first and our hockey team placed second in intramurals. Zeta would like to thank Zoo for all their support during these games.

Zeta Delta Phi had a very productive '87-'88 year and we are all looking forward to the next one.

Kappa Sigma Rho

The Brothers Of KΣP

The 1987-1988 Executive Board

Kappa Sigma Rho currently has forty two active brothers and four sweethearts. In the last year, Kappa Sigma Rho was lead by President: Mark Zeliff, Vice-President: Melvin Ruth, Treasurer: Mark Spirko and Secretary: Timothy Sandstorm.

We were very active this past year in activities such as sponsoring a flag football tournament to benefit paralysis, working at the Alumni Monte Carlo Night, and participating in an area blood drive. We also had many fundraising activities which included: raffle sales, food sales and many Murph and Depot parties. This year was highlighted by winning intramural flag football and acquiring the Curry house.

It all started with a twisted dream. It's now six years later and we're still going strong.

This year we centered our charitable efforts towards supporting YCP's Alcohol and Drug Education Committee with its annual, "Alcohol Awareness Week." For our efforts, we were presented an award for outstanding service.

Kappa Psi Epsilon has in the past and always will be a dominant force in intramurals and greek sponsored sports.

Our December graduates for this year are: Lawrence Raff, James Sanders, Scott Treiber, John Antonacci and Rob Howarth.

Our May graduates are: Matt DiGiamo, Peter March, Mark Brawley, Ray Coleman, Bob Osborne, and David Hinds. Six of our Little Sisters will also graduate this year. They are: Jeanine Chyka, Joan Poracky, Bari Katz, Kelly Post, Kristin Hendry, Christing Lower, and Jodi Root. We wish them all GOOD LUCK.

Sigma Delta Rho

Sigma Delta Rho sorority was founded in September 14, 1981. This past year they had fifty eight active members. They promote sisterhood through campus and community activities. Some of the events they have participated in this year include: the St. Patrick's Day Parade, the Easter Seals Daffodil Sale, the Festival of Careers Day, and the annual alumni picnic and Royal Sunshine Ball. For women interested in rushing, they have open rushes for female students with a 2.0 GPA. As a member of I.F.C. they strive to promote unity between all of the greek organizations on the York College campus.

Sigma Delta Chi is in its sixth year here at YCP. Since their establishment, they have grown in size as well as in enthusiasm and sister support. This year, they have been able to increase the number of activities and run successful fund raisers while also supporting the community with various service projects.

The Little Sisters of Sigma Delta Chi is an organization under the fraternal organization of Sigma Delta Chi. Little Sisters were formed under Delta in 1982 in order to support the brothers. They have grown since their formation and do community and campus work which has brought them much recognition.

Sigma Phi Epsilon

The Brothers Of ΣΦΕ

The 1987-1988 Executive Board

Sigma Phi Epsilon is a national fraternity that supports the ideals of campus and community. We have won the honor scoop for four consecutive years, which is a school record. We had our annual "swim to see" swimathon which raised \$1100 for York County Blind Center. Three brothers hold positions on the Student Senate and a brother is Vice-President of IFC. We have had several accomplishments in sports. Some are winning Greek Week two years in a row, winning intermural hockey, and intermural soccer. Not only do our Brothers excel on the field, they strive for excellence on the classroom.

Founded in 1899 at Wesleyan University in Bloomington, Illinois, Tau Kappa Epsilon is the world's largest fraternity. Over 300 chapters are located throughout the United States and Canada. At York College, the Omicron-Upsilon Chapter was installed as a charter member of the International fraternity in March 19, 1977.

T.K.E. at York College has been a major contributor to the community service programs of the school. The fraternity sponsors the "White Rose City Classic" basketball tournament and a volleyball marathon every year in association with the Kidney Foundation of York. Annually over \$20,000 is raised for the Kidney Foundation and other charitable organizations by T.K.E. and this mark is unsurpassed by any other organization at York College. In addition to the fund raisers, T.K.E. has sponsored a third world child named Adalu Muhammed Dersse through the Christian Children Fund.

Phi Sigma Chi

The Sisters of ΦΣΧ

The 1987-1988 Executive Board

The sisters participated in various campus activities including Alcohol Awareness Week, Alumni Phone-A-Thon, various fund raisers in Campbell Hall, intramurals, and co-sponsored the first annual Lady Spartan Basketball Invitational. We have sisters involved in sports such as field hockey and basketball, also members of the Student Senate, German Club, Marketing Club, Alcohol & Drug Education Committee, and Peer Advisors.

With the closing of last Spring semester, we gained two new advisors, Bonnie and Max Kline. Their help, support, and guidance are appreciated more than we could ever say. Phi Sigma Chi was also the recipient of the Greek Scholastic Award for the '86-87 year and hopes to regain that honor this year.

We have continued our community work with the York Children & Youth Services doing babysitting, tutoring, and providing holiday parties for the kids. Several sisters also worked at a soup kitchen in York.

Chi Gamma Iota

Chi Gamma Iota was formed November 15, 1967, making XGI the oldest Greek organization on campus. The fraternity was formed to provide Veterans and Non-Veterans with a point of social reference and unity.

The organization has sponsored various fund-raisers benefiting the American Cancer Society, Big Brothers and Big Sisters, Access, Joint Veterans Council, War Memorial, Veteran Hospitals and Juvenile Diabetes Foundation. Members of XGI can be seen all over campus participating in the Radio Station, Horizon Yearbook, Theatre Company, Security, and Residence Staff.

Full membership is open to veterans who have honorably completed their active duty, or are active guardsmen over 21 years. Associate membership is open to non-veterans interested in pursuing the objectives of the organization. Social membership is open to anyone interested.

major influences. Dennis enjoyed his visit to York, but felt working Parent's Weekend tough (especially having to follow the sentimental presentation of the Parents of the Year Award to Mr. & Mrs. Lutz!).

Dennis writes his own stand-up material as well as the Weekend Update material. When asked what he wants to do after Saturday Night Live, Dennis stated that he really doesn't think about it, but he'll run his five-year contract and then make a decision.

Dennis' advice to up-and-coming entertainers is to keep your feet on the ground and get by all the BS. Much of the entertainment business is temporary and success may be over very quickly. Dennis also said that it is a very lonely business and many times, after the applause, the performer goes back to a hotel room alone.

Dennis Miller was very friendly during the interview and very sincere in his answers to the questions placed before him. The interview ended with hand shakes and pictures. It should be added that his material was fresh and innovative and both parents and students, whom Mac talked to after the show, enjoyed the performance!

Thanks for everything, Dennis!

Parent's Weekend 1987 was a very special time for all. All those present had a wonderful time, but the highlight of the weekend was Saturday night's entertainment. Both parents and students laughed hysterically throughout the performance. Dennis Miller, Saturday Night Live's Weekend Update Anchorperson, gave an outstanding performance to a packed Wolf Gymnasium. Dennis then gave an interview with several York College student representatives. Mac McCormick, Editor-In-Chief of the HORIZON was one of the lucky people present. What follows is Mac's account of what was discussed during that interview.

Dennis is from Pittsburg, PA where he first worked as a comedian. He started doing stand-up comedy at the age of twenty-six because he felt that making his friends laugh was what he did best. Dennis stated that he enjoyed doing stand-up and lists Richard Belzer, Jay Leno, and Robin Williams as his

America's favorite sex therapist, Dr. Ruth, was at York College on Monday, October 26. Her appearance was co-sponsored by the YCP Student Senate and the York Jewish Community Center. The audience ranged in age from the college students to community people in their sixties.

Dr. Ruth's lecture included a wide variety of topics. She discussed that the values and morals about sex are laid in a child at a very early age and that everyone is different. During the lecture, Dr. Ruth described herself as, "Old fashioned and a square." She believes in love and relationships and does not believe in casual or group sex. Dr. Ruth also stated that there is much sexual illiteracy in the country and this illiteracy is the cause of many problems.

Though she spoke of different kinds of contraception, Dr. Ruth would not discuss the pill or AIDS because, as she said, she is not a medical doctor. Her lecture was quite informative and even hu-

morous. At the end of the lecture, Dr. Ruth answered questions from the audience as well as questions written down on cards and read by Scott Young of the Campus Activities Board.

An interview was held after the lecture and when asked what else

she enjoyed doing, Dr. Ruth said that she liked talking about relationships, writing, and skiing. Pictures were taken with Dr. Ruth and she signed autographs, and invited all present to eat the sandwiches that were prepared and in her dressing room.

Force M.D.'s

The Force M.D.'s visited York College for a concert on Saturday, Feb. 13, 1988. In a pre-show interview they discussed several topics including their music and their background.

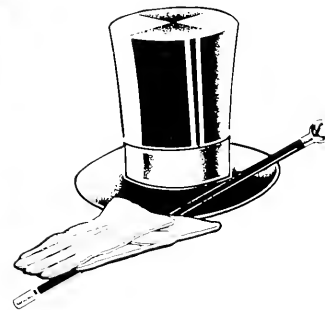

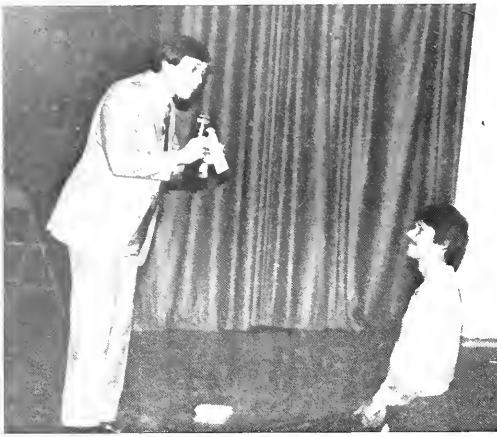

The Force M.D.'s are a close -knit group from Staten Island, NY. They started singing on a street corner which helped them to decide what music the public wanted to hear. They were discovered by Mr. Magic, a local DJ.

TC, Trisco, Mercury, and Steve, the members of the group, explained how the name, Force M.D.'s came to be. " Force " is for the struggle they had while trying to make it big. "M.D. " stands for Musical Diversity. This Diversity is not only found in their music, but also in their fabulous stage show.

Force M.D.'s describe their music as rap with singing added and do-wop-hip-hop music. Their first single, *Let Me Love You*, is very indicative of their style. Their two favorite songs are *Itchin' For a Scratch* and *Tender Love*. Though they like *Tender Love*, they were very surprised that it did well.

Their future plans include more concert tours, more movie soundtracks, and making a live-show album. York College thanks them for the great concert and wishes them luck in their future endeavors.

1987 WOMEN'S FIELD HOCKEY

Ten returning players and eight freshman comprised the team. The overall skill level of the freshmen was of higher caliber than in the past and we were very fortunate to acquire a quality freshman goalie, Paula Rusnock. The team ended with 17 players in good standing.

Team captians were Seniors Kris Gillan, Jean Jones, Bev Wilson, and Junior Michelle Metz. Other team members included Heather Elliot, Amy Emery, Jody Gladfelter, Michelle Gladfelter, Jerolyn Hardy, Carolyn Houck, Laura Jones, Diane Rusnock, Kelly Stiffler, Val Whitman, and Julianna Williams.

The season turned out to be a very exciting one. Several team and individual records were set, including the best season record in the history of field hockey at YCP. (10 wins and 3 losses).

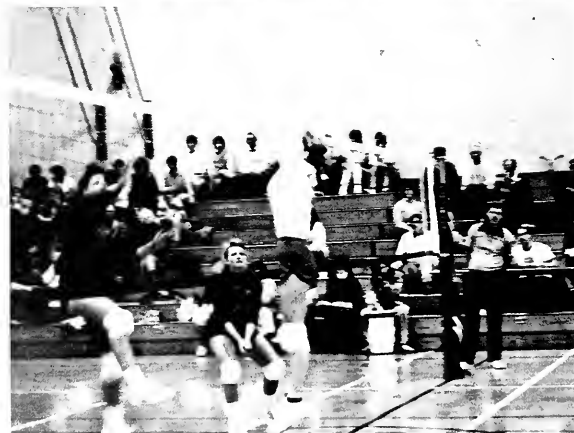

1987 WOMEN'S VOLLEYBALL

The 1987 Women's Volleyball Team ended it's season with 16 wins and 13 losses. The team had it's ups and downs during the season but had a strong ending defeating two top teams during the last week of play with wins against Loyola and Dickenson.

Co-Captains were Senior, Maria Pennings and Junior, Beth Gibson. Other starters included Senior, Kelli Masters and Juniors, Pam Stover, Kelly Conners and Kris Randall. Other members of the team included: Susan Bieber, Susan Erett, Lauri Hahn, Angela Henry, Karen Huebner, Anne Rockelman, and Kelly Walsh.

Soccer

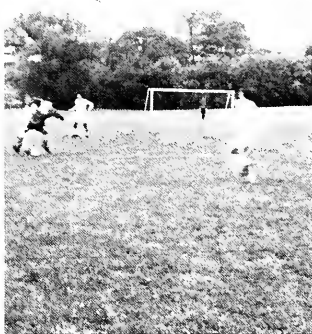

Out of twenty-six men, twenty-four completed the season in good standing.

Because of the combination of a late Labor Day and a week lead up for practice, their first game ended up being their opponent's (Dickinson) fifth. Though record wise they had a losing season, morale stayed high and they were able to improve throughout. The season ended on a positive note.

Most of the team plays all year in indoor and Spring leagues. In order to remain competitive, soccer is getting like swimming - a twelve month sport. York hosted its first indoor collegiate tournament in March. They posted wins against the University of Delaware, Bucknell University and lost to Shippensburg University.

York soccer will graduate four good players this year. Best wishes to Matt D'Antonio, Dan Jones, Anthony Kowalewski and Charles Lieske.

1987 WOMEN'S SWIMMING

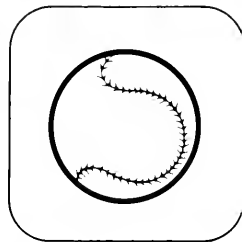

This season was the most rewarding season of all! The girls we had on the team were dedicated and worked very hard. Our record this season was 12 - 3. We had three meets go down to the last event and we won all three. That shows you the character of this fine team! We lost to Mary Washington (VA), Catholic University, and Kutztown University. Our big wins were over Millersville Lock Haven, Bryn Mahr, and Elizabethtown.

Tri - States this year were simply unbelievable! We broke seven school records at the meet and had numerous personal best times. York College had a 4th place finish with 418 points. This is the highest place finish for the girls and most points we ever received in the Tri-State Championships.

The only negative thing about the end of this tremendous season is the loss of our outstanding senior swimmers: Laurie Ocker, Jill Trone, Karen Withers. They have been the cornerstone of this program the last four years. Other team members included, Trisha Cox, Hilary Friedman, M.C Fuller, Heather Greene, Kathi Hammels, Mary Hummel, Gina Magani, Terri Nelson, Tracy Niemritz and Amy Steigerwalt.

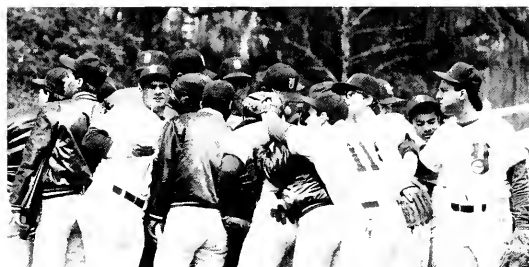

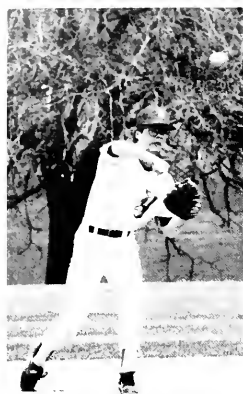

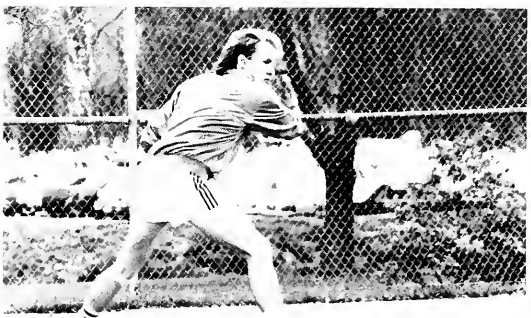

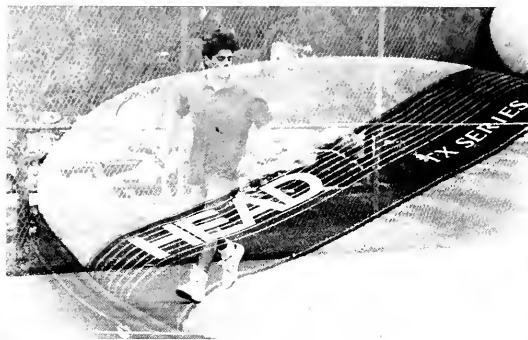

Lady

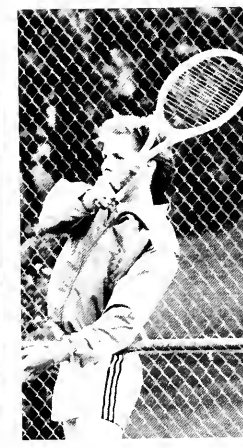

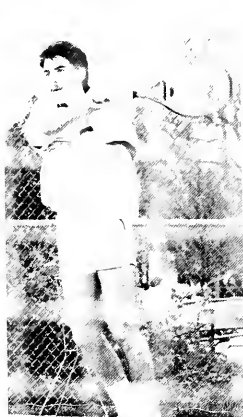

Spartans

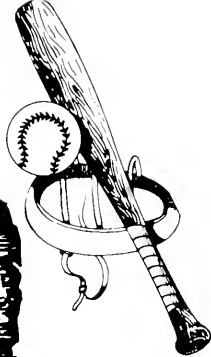

1988 WOMEN'S TENNIS

Women's Tennis, a sport which demands great concentration and skill, has once again proudly surfaced on the Spring roster of sports here at York College.

This season's Women's tennis team has certainly adhered to the statement quality not quantity. At the present time, the Women's team consists of only six members. Andrea Treffinger, Dina Gallelli, Noel Lucarini, Sue Machlan, Crystal Stambaugh, Margaret Jackson.

The team engaged in their first match of the season, as they traveled to Gettysburg, to face a team of sixteen, second division opponents, they were truly skilled competitors.

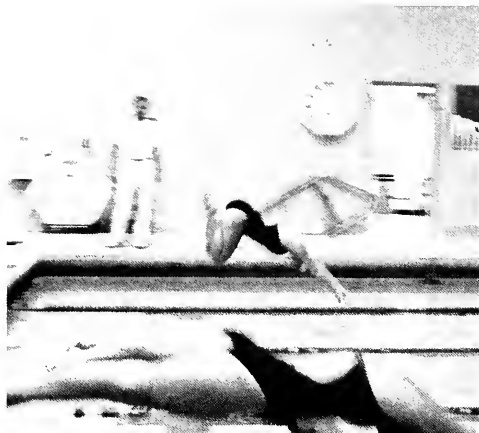

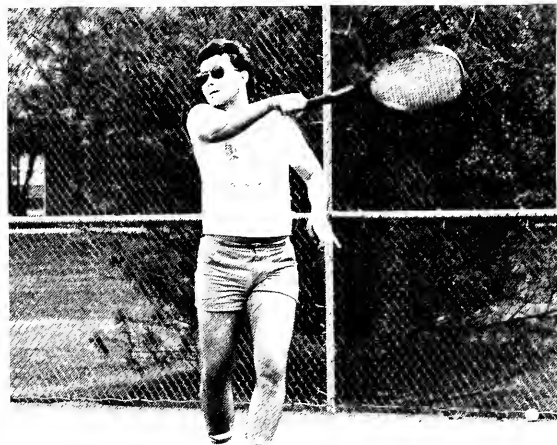

The 1988 York College baseball season will be remembered by most as one of frustration. A very young Spartan team struggled to an 0 - 14 start - the worst in the school's history, and ended with an 8 - 26 record.

The season did, however, provide the valuable opportunity for twelve freshmen to gain considerable playing time. The second half of the schedule saw a tremendous swing in the confidence level of several young players - players who will return next year as experienced sophomores. The 1988 season, trying as it was, must not be viewed as a success or a failure but simply as an inevitable but necessary period of time which has produced the foundation for a very promising future.

Two Spartans graduated in 1988. Both performed admirably despite the pressures by which they were surrounded; Scott Markle was superb as the ace of the pitching staff and Ryan Fox was voted Most Valuable Player for the second consecutive year.

Dear Friends,

Well, this one is for you! Many of you have touched my life as well as the lives of others in a very special way. I hope that this book has captured the special memories of the 1987-1988 year at York College.

This year has been a tough one, but it was fun too! Always remember Robin Leach, the Reedster, the kidnapped chair, Kaye Grizwald, mid-night rides to Doughnut Delight in the Grizmobile, late night videos, the executive chairs and the POWER MONGERS!

You all mean so much to me and there isn't enough time or space to thank everyone who made this book possible. Special thanks to Miss Laurie Reed, Mrs. Cathy Heilman and Craig Rodabaugh for being both advisors and friends. Thanks and best wishes to Kelly Wilson, my assistant editor, as she graduates from York and goes into the real world.

I wish all the graduates the best of luck. I also look forward to seeing new faces next year as well as the familiar faces that make life livable.

My love and friendship always,

Mac McCormick
